171-176 Send Road, Send, Surrey GU23 7ET

car parking to rear, disabled access to front

Tea, coffee & soft drinks, biscuits etc provided.

14 December 2024

Dear all,

You're invited!

As an important part of Send village community, we would love for you to join our upcoming stakeholder consultation on Wednesday 15th January 2025 (details above).

We're working to redevelop the pavilion at Send Recreation Ground and would value your input to shape its future.

Why Attend?

Following our public consultations, you will have the opportunity to directly influence the design and functionality of our vital community space.

Join us (the Send Parish Council's Project Team) and our appointed Architects (The Cave Co-operative) to:

- vote to prioritise the most important ideas and features
- explore how your group might use the renewed facility – collaborate on design details for the building
- inform any future fundraising efforts required
- let us have your ideas for the building's immediate surrounds.

Your input matters!

Together, we can create a pavilion that serves our community today and for generations to come. Your feedback will help us to ensure that our project truly meets the future needs of our community.

If you represent local organisation or group, ideally we like 2 (or more) of your representatives to attend.

RSVP - please confirm your attendance via the project email below.

If you have any queries, please let us know.

Kind regards Carolin

Carolin Göhler – Parish Councillor and Chair of the Pavilion Redevelopment Committee
